2. I again raised the question with [] about how much of [] time was going into what contracts. I specifically suggested that [] give me a piece of paper with this information in detail. [] balked a bit on policy and said he would have to check with [] I backed off a bit and said that an indication that he would spend 40% of his time on NSA, DOD, etc. contracts, 60% of his time on CIA plus the breakdown among the CIA contracts would be sufficient.
